AMENDMENT AND RESPONSE TO OFFICE ACTION

Sir:

Subsequent to the Office Action mailed September 18, 2002 (the "Action"), Applicant hereby submits the following Amendment and Response, Declaration, references cited therein, and Petition for Extension of time. Applicant respectfully requests entry of the Amendment and reconsideration of the pending claims. Applicant further submits that the claims, as discussed in the Remarks below, are in a condition for allowance, which action is earnestly requested.

In the Specification:

Please replace paragraph [00044] with the following paragraph:

[00044] Bioavailability After the aerosolized drug reaches the deep lung, it must be absorbed with high enough bioavailability to make the system practical. As early as 1925, insulin inhalation for the treatment of diabetes was shown to work in humans, but the bioavailability was low (<3%). More recently, several
